

The Corporation of the District of Oak Bay
VOLUNTEER BOARD AND COMMITTEE APPOINTMENTS

Oak Bay Municipal Council welcomes expressions of interest from residents who wish to volunteer their time as members of the following Council appointed boards and committees.

Appointments are typically made for terms of one or two years each year in December and may be renewed for additional terms.

Advisory Design Panel

The Advisory Design Panel assists Council in assessing the design merits of plans submitted in conjunction with rezoning, development permit, Uplands building permit and other land use applications. For the current vacancy, applicants must be registered with the Architectural Institute of British Columbia.

Oak Bay Parks and Recreation Commission

The Commission is a nine member body responsible for overseeing recreation programs and parks within the Municipality, and providing policy direction to a professional management staff. A demonstrated interest in community service, plus an appreciation of the financial and operational complexities of parks and recreation management would be desirable qualifications.

Recognition of Renovation and Building Achievement Awards Panel

Oak Bay Municipal Council has a program which presents awards of appreciation to property owners in recognition of notable new buildings or renovations in the District of Oak Bay.

Council welcomes expressions of interest from residents who wish to volunteer their time as members at large on the Recognition of Renovation and Building Achievement Awards Panel, which evaluates the nominations for the awards.

Heritage Committee

The primary role of this Committee is promoting the architectural and cultural history that constitutes the heritage of the Municipality of Oak Bay. The Committee is also responsible for creating and maintaining inventories of real property of heritage significance to Oak Bay as well as making recommendations with respect to the content of a community heritage register. Membership requires energy and, on occasion, a willingness to undertake work outside of regular meetings. Members of the Committee also serve on the Heritage Foundation.

Other Boards/Committees

While it is not anticipated that any immediate vacancies will occur on the following Boards and Committees, interested residents are encouraged to submit their names to be considered in the event a vacancy occurs:

Board of Variance
Heritage Advisory Panel
Oak Bay Tourism Committee

Residents interested in serving on the above noted boards and committees should submit letters to the undersigned, including any pertinent information that may assist Council in making the appointments, by November 3, 2009:
